Subject: eDiscovery

General council is involved with a possible lawsuit. The registered owners of minions.galactic are claiming misrepresentation and trademark infringement. It is all complete nonsense, of course, but we may have an eDiscovery case on our hands!

To make the lawyers happy, prepare a list of systems and data locations that may contain discussion of domain naming decisions, the discovery of the domain name conflict, and our efforts to setup the minions.galactic domain.

Thank you.

Felonius Gru
